EXPLANATORY NOTE

This Statement on Schedule 13D (this "**Schedule 13D**") is a filing being made pursuant to Rule 13d-1(a) and Rule 13d-2(a) promulgated under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), by the Trust and Alex Mehr, who is the sole trustee of the Trust (Mr. Mehr, together with the Trust, the "**Reporting Persons**" and each, a "**Reporting Person**"), to report the Reporting Persons' acquisition and subsequent disposition of Ordinary Shares. Information given in response to each item shall be deemed incorporated by reference in all other items, as applicable.

On July 1, 2019, due to a merger (described below) between the Issuer and Zoosk, Inc., a Delaware corporation ("**Zoosk**"), co-founded by Alex Mehr, the Trust became entitled to receive an aggregate of 1,492,554 ADSs, each representing 0.1 Ordinary Shares, which caused the Reporting Persons to beneficially own in excess of 5% of the then issued and outstanding Ordinary Shares of the Issuer.

Between December 2, 2019 and December 5, 2019, the Trust sold 229,863 ADSs in open market transactions, which resulted in the Reporting Persons beneficially owning less than 5% of the then issued and outstanding Ordinary Shares of the Issuer.²

The period beginning on July 1, 2019 and ending on December 5, 2019 is referred to herein as the "**Beneficial Ownership Reporting Period.**"

Due to administrative oversights on behalf of the Reporting Persons, this Schedule 13D was not previously filed by the Reporting Persons to report both the initial acquisition and subsequent dispositions as described above. Though the Reporting Persons previously owned greater than 5% of the then issued and outstanding Ordinary Shares, the Reporting Persons currently own less than 5% of the presently issued and outstanding Ordinary Shares. As a result, the Reporting Persons deem this filing to be a discretionary filing on Schedule 13D.

In accordance with applicable guidance of the Securities and Exchange Commission, information on the cover page of this Schedule 13D and in Item 5 of this Schedule 13D is reported as of the date of filing.

² Calculated based on 2,601,037 issued and outstanding Ordinary Shares, represented by an aggregate of 26,010,365 outstanding ADSs, as disclosed by the Issuer in a press release dated July 2, 2019 (the "**July 2019 Press Release**") and furnished as Exhibit 99.1 to its Report of Foreign Private Issuer of Form 6-K, furnished to the Securities and Exchange Commission on July 2, 2019.

ITEM 1. SECURITY AND ISSUER.

This Schedule 13D relates to the Ordinary Shares of the Issuer. The address of the Issuer's principal executive office is Kohlfurter Straße 41/43, Berlin 10999, Germany.

ITEM 2. IDENTITY AND BACKGROUND.

- a. This Schedule 13D is being filed jointly by the Trust and by Alex Mehr.
- b. The business address of each Reporting Person is 151 Calle de San Francisco, Suite 200, PMB 5520, San Juan, Puerto Rico 00901-1607.
- c. The Trust is an estate planning vehicle that makes and holds investments for its beneficiary, Alex Mehr. Alex Mehr serves as the trustee of the Trust and, in this capacity, he has the sole right to direct the voting and disposition of the securities owned by the Trust.
- d. No Reporting Person has, during the last five (5) years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).
- e. No Reporting Person has, during the last five (5) years, been party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.
- f. The Trust was established in California. However, it has no designated place of organization.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Following the Merger (as defined below), the aggregate purchase price of the additional ADSs deemed to be beneficially owned by the Reporting Persons was \$3,984,617.90, which were acquired with funds from the capital account of the Trust.

The information set forth in Item 4 hereof is hereby incorporated by reference into this Item 3, as applicable.

ITEM 4. PURPOSE OF TRANSACTION.

On July 1, 2019, pursuant to the Agreement and Plan of Merger (the "**Merger Agreement**"), dated as of March 21, 2019, by and among the Issuer, Chemistry Inc., a Delaware corporation and wholly owned subsidiary of the Issuer ("**Merger Sub**"), Zoosk, and Fortis Advisors LLC, a Delaware limited liability company, solely in its capacity as the Holders' Representative (as defined in the Merger Agreement), Merger Sub was merged with and into Zoosk and the separate existence of Merger Sub ceased, upon which Zoosk became a wholly-owned subsidiary of the Issuer (the "**Merger**").

Prior to the Merger, the Trust was a shareholder of Zoosk. As a result of the Merger, the Trust became entitled to receive an aggregate of 1,492,554 ADSs as consideration for the Merger.

The Trust originally acquired its shares in Zoosk pursuant to a transfer for estate planning purposes from the trustee and beneficiary, Alex Mehr, who received the shares pursuant to his role as the former Chief Executive Officer and founder of Zoosk.

Following the Merger, between December 2, 2019 and December 5, 2019, the Trust sold 229,863 ADSs in open market transactions, which resulted in the Reporting Persons beneficially owning less than 5% of the then outstanding Ordinary Shares of the Issuer.³

³ Calculated based on 2,601,037 issued and outstanding Ordinary Shares, represented by an aggregate of 26,010,365 outstanding ADSs, as disclosed by the Issuer in the July 2019 Press Release.

During the Beneficial Ownership Reporting Period, except as disclosed in this Item 4, the Reporting Persons had no plans or proposals that related to or would have resulted in: (a) the acquisition or disposition by the Reporting Persons of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) changes in the board of directors or management of the Issuer; (e) a material change in the capitalization or dividend policy of the Issuer; (f) other material changes in the Issuer's business or corporate structure; (g) changes in the Issuer's articles of incorporation or bylaws or other actions that may have impeded the acquisition of control of the Issuer by any person; (h) causing any class of the Issuer's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12 of the Exchange Act; or (j) any action similar to those enumerated above.

As of the date of this Schedule 13D, the Reporting Persons continue to analyze and evaluate, as part of their ordinary business practices, their current holdings in the Issuer.

The Reporting Persons intend to continue such analysis, evaluation and review of their holdings in the Issuer from time to time on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's securities in particular, as well as other developments.

Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Ordinary Shares and/or ADSs at prices that would make the purchase or sale of Ordinary Shares and/or ADSs desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Ordinary Shares and/or ADSs on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a)—(j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. The Reporting Persons have engaged, and may continue to engage, in discussions with the Issuer's management and board of directors (the "**Board**") regarding means to enhance stockholder value. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Ordinary Shares and/or ADSs, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in additional communications with Issuer's management and the Board, engaging in discussions with stockholders of the Issuer and others about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure, including a sale of the Issuer as a whole or in parts, board structure (including board composition) or operations of the Issuer, purchasing additional Ordinary Shares and/or ADSs, selling some or all of their Ordinary Shares and/or ADSs, engaging in short selling of or any hedging or similar transaction with respect to the Ordinary Shares and/or ADSs, or changing their intention with respect to any and all matters referred to in Item 4.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

- (a) (b) As of April 20, 2021, the Reporting Persons may be deemed to beneficially own 1,108,229 ADSs representing 110,822.9 Ordinary Shares, consisting of (i) 791,129 ADSs representing 79,112.9 Ordinary Shares held by the Trust, and (ii) 317,100 ADSs representing 31,710 Ordinary Shares that the Trust has the right to acquire pursuant to call options held by the Trust. The 1,108,229 ADSs deemed to be beneficially owned by the Reporting Persons represent 4.25% of the aggregate outstanding Ordinary Shares, as disclosed by the Issuer in the 2020 10-K. Mr. Mehr, as trustee of the Trust, has sole voting, investment and dispositive power with respect to such securities.

- (c) Except as set forth on Schedule A hereto, the Reporting Persons have not effected any transactions involving the Ordinary Shares of the Issuer during the past sixty (60) days.
- (d) No person other than the Reporting Persons is known to have the right to receive, or the power to direct the receipt of dividends from, or proceeds from the sale of, the Ordinary Shares.
- (e) The Reporting Persons ceased to be the beneficial owners of more than 5% of the Ordinary Shares on December 5, 2019.⁴

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

On the date hereof, the Reporting Persons entered into a Joint Filing Agreement in which each agreed to the joint filing on behalf of each of them on Schedule 13D with respect to the securities of the Issuer. A copy of this agreement is attached as an exhibit hereto and is incorporated herein by reference. The information set forth in Item 4 hereof is also hereby incorporated by reference into this Item 6. Except as referenced above or described in Item 4 hereof, there are no contracts, arrangements, understandings or relationships between the Reporting Persons and any other person with respect to any securities of the Issuer.

ITEM 7. MATERIAL TO BE FILED AS EXHIBITS

Exhibit 99.1 – Joint Filing Agreement, dated April 20, 2021.
