FOR THE BOARD OF DIRECTORS

SPARK NETWORKS, INC.

PROXY STATEMENT

For Annual Meeting to be Held June 8, 2009 at 9:00 a.m. Pacific Daylight Time

This proxy statement is delivered to you by Spark Networks, Inc. (“we,” “us,” the “Company,” or “Spark”), a Delaware corporation, in connection with the Annual Meeting of Stockholders of the Company to be held on June 8, 2009 at 9:00 a.m. Pacific Daylight Time at 8383 Wilshire Boulevard, Suite 800, Beverly Hills, California 90211 (the “Annual Meeting”). The approximate mailing date for this proxy statement and the enclosed proxy is May 6, 2009.

The purpose of the Annual Meeting is to seek stockholder approval of four proposals: (1) electing two directors to the board of directors, (2) ratifying the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2009, (3) adopting a policy that the Chairman of the Board be an independent director who has not previously served as an executive officer of the Company, and (4) declassifying the board of directors.

Annual Report

Our annual report to stockholders for the year ended December 31, 2008 will be concurrently provided to each stockholder at the time we send this proxy statement and the enclosed proxy card and is not to be considered a part of the proxy soliciting material.

Quorum; Voting Rights

Holders of our common stock of record at the close of business on April 16, 2009 (the “Record Date”) will be entitled to vote at the Annual Meeting. There were 20,561,544 shares of common stock outstanding as of the Record Date. Each share of our common stock is entitled to one vote, and the presence, in person or by proxy, of holders of a majority of the outstanding shares of our common stock, is necessary to constitute a quorum for the Annual Meeting. Abstentions and broker “non-votes” will be treated as present and entitled to vote for purposes of determining the presence of a quorum. If a quorum is not present at the Annual Meeting, we expect that the Annual Meeting will be adjourned to solicit additional proxies. Stockholders may not cumulate their votes.

Voting Your Proxy

Your vote is important. Your shares can be voted at the Annual Meeting only if you are present in person or represented by proxy. Even if you plan to attend the Annual Meeting, we urge you to vote in advance. If you choose to vote by mail, simply mark your proxy card, and then date, sign and return it in the postage-paid envelope provided.

Stockholders who hold their shares beneficially in street name through a nominee (such as a bank or broker) may be able to vote by telephone, the internet or mail. You should follow the instructions you receive from your nominee to vote those shares. If you are a stockholder who owns shares through a nominee and attends the Annual Meeting, you should bring a letter from your nominee identifying you as the beneficial owner of the shares and acknowledging that you will vote your shares.

Counting of Votes

If a proxy in the accompanying form is duly executed and returned, the shares represented by the proxy will be voted as directed. If no direction is given, the shares represented by the proxy will be voted (1) FOR the election of the nominees for director named herein, (2) FOR the reappointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the year ending December 31, 2009, (3) ABSTAIN with respect to the adoption of a policy that the Chairman of the Board be an independent director who has not previously served as an executive officer of the Company and (4) ABSTAIN with respect to declassification of the board of directors. All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. Representatives of our transfer agent will assist us in the tabulation of the votes.

Effect of Abstentions and Broker Non-Votes

An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. Abstentions will be treated as present and entitled to vote for purposes of determining the presence of a quorum. Abstentions will have no effect on the election of the director nominees, but will be counted as votes against the ratification of the appointment of Ernst & Young LLP and against the approval of the two stockholder proposals.

A broker "non-vote" occurs when a broker nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner. Under NYSE Amex rules, brokers that hold shares of our common stock in "street" name for customers that are the beneficial owners of those shares may not give a proxy to vote those shares on certain matters without specific instructions from those customers, however, none of those certain matters are anticipated to be the subject of a vote at this meeting. Therefore, under NYSE Amex rules, brokers that do not receive instructions are entitled to vote on the election of directors, the ratification of the appointment of our independent registered public accounting firm, and the stockholder proposals. Should a broker non-vote occur, it will have no effect on the outcome of the matter (i.e. it will be neither a vote "for" nor "against" the proposal), however, it will be treated as present and entitled to vote for purposes of determining the presence of a quorum.

Revoking Your Proxy

Any proxy given may be revoked at any time prior to its exercise by notifying the Corporate Secretary of the Company in writing of such revocation, by duly executing and delivering another proxy bearing a later date, or by attending and voting in person at the Annual Meeting. The Company's principal executive office is located at 8383 Wilshire Boulevard, Suite 800, Beverly Hills, California 90211.

Solicitation of Proxies

The cost of this solicitation of proxies will be borne by the Company. Solicitations will be made by mail. In addition, the officers and other regularly engaged employees of the Company may, in a limited number of instances, solicit proxies personally or by telephone. The Company will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy materials to beneficial owners of the common stock of the Company.

Delivery of Proxy Materials to Households

"Householding" is a program, approved by the Securities and Exchange Commission (the "SEC"), which allows companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements and annual reports by delivering only one package of stockholder proxy material to

any household at which two or more stockholders reside. If you and other residents at your mailing address own shares of our common stock in street name, your broker or bank may have notified you that your household will receive only one copy of our proxy materials. Once you have received notice from your broker that they will be “householding” materials to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account. If you hold shares of our common stock in your own name as a holder of record, “householding” will not apply to your shares.

Interest of Executive Officers and Directors

None of the Company’s executive officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting, except to the extent that (i) a director is named as a nominee for election to the board of directors, (ii) a director has an interest with respect to the stockholder proposal recommending that our board of directors adopt a policy that the Chairman of the Board be an independent director who has not previously served as an executive officer of the Company or (iii) a director has an interest with respect to the stockholder proposal regarding the declassification of the board of directors.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company's board of directors is divided into three classes, with each class serving a three-year term and thereafter until the director's successor is duly elected and qualified or until the director's death, resignation or removal. One class of directors is elected annually at the Annual Meeting. The Company's Bylaws provide for a variable board of directors with a range of between two and nine members. The Company currently has five authorized members on its board of directors. The Company's Bylaws give the board of directors the authority to establish, increase or decrease the number of directors.

Unless otherwise directed by stockholders within the limits set forth in the Bylaws, the proxy holders will vote all shares represented by proxies held by them for the election of Adam S. Berger, who is currently our Chief Executive Officer and Chairman of the Board, and Jonathan B. Bulkeley, who is currently a member of the Company's board of directors. Both Mr. Berger and Mr. Bulkeley have advised the Company of their availability and willingness to serve if elected. In the event that either Mr. Berger or Mr. Bulkeley becomes unavailable or unable to serve as a member of the Company's board of directors prior to the voting, the proxy holders will refrain from voting for him or will vote for a substitute nominee in the exercise of their best judgment. You can find information about Mr. Berger and Mr. Bulkeley below under the section "Board of Directors and Executive Officers."

Vote Required

You may vote in favor or against either or both of the nominees and you may also withhold your vote as to either or both of the nominees. In order to elect a nominee, the affirmative vote of a plurality of all of the votes cast at the Annual Meeting is necessary for the election of the nominee for director assuming a quorum is present. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the board of directors are to be voted on this proposal, such shares will be voted in favor of both of the nominees. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Abstentions and broker non-votes will count toward the presence of a quorum.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE DIRECTOR-NOMINEES.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has recommended the reappointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009. Ernst & Young LLP became our auditors in 2004. The stockholders are being requested to ratify the reappointment of Ernst & Young LLP at the Annual Meeting. The Company anticipates that a representative of Ernst & Young LLP will attend the Annual Meeting. The representative will have an opportunity to make a statement and to respond to appropriate stockholder questions.

Fees to Independent Registered Public Accounting Firm for Fiscal Years 2008 and 2007

During the fiscal years ended December 31, 2008 and 2007, we retained Ernst & Young LLP to provide services as follows:

Service	Fees for the Year Ended December 31,	
	2008	2007
Audit fees	\$ 582,956	\$ 695,964
Audit-related fees	50,360	123,986
Tax fees	117,558	82,229
All other fees	—	—
Total audit and non-audit fees	\$ 750,874	\$ 902,179

Fees for audit services include fees associated with the annual audit, the reviews of the Company's quarterly reports on Form 10-Q, and statutory audits required internationally. Audit-related fees principally included due diligence in connection with acquisitions and accounting consultation. Tax fees included tax compliance, tax advice, and tax planning.

Pre-Approval Policy

In accordance with our Audit Committee Charter, the Audit Committee pre-approves all auditing services and permitted non-audit services, if any, including tax services, to be performed for us by our independent auditor, subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, as amended, which are approved by the Audit Committee prior to the completion of the audit. The scope of the pre-approval shall include pre-approval of all fees and terms of engagement. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

Vote Required

You may vote in favor or against this proposal and you may also withhold your vote. The affirmative vote of a majority of all votes present or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the appointment of Ernst & Young LLP as Spark's independent registered public accounting firm. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the board of directors are to be voted on this proposal, such shares will be voted in favor of the appointment of Ernst & Young LLP as Spark's independent registered public accounting firm. Abstentions will be counted as votes cast against the proposal. Broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Abstentions and broker non-votes will count toward the presence of a quorum.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY
THE REAPPOINTMENT OF ERNST & YOUNG LLP.**

PROPOSAL NO. 3

STOCKHOLDER PROPOSAL

INDEPENDENT CHAIRMAN OF THE BOARD

The following proposal was submitted by Gary Steiner, Trustee of the Steiner Community Property Trust, located at 1482 Paseo de Oro, Pacific Palisades, CA 90272, who has given notice that he intends to present the following proposal at the Annual Meeting. The Steiner Community Property Trust is a holder of 45,100 shares of the Company's common stock.

Independent Board Chairman

Stockholder Proposed Resolution

RESOLVED: That stockholders ask the board of directors to adopt a policy that the board's chairman be an independent director who has not previously served as an executive officer of the Company.

Statement of Stockholder

The policy should be implemented so as not to violate any contractual obligation. The policy should also specify how to select a new independent chairman if a current chairman ceases to be independent during the time between annual meetings of stockholders; and that compliance with the policy is excused if no independent director is available and willing to serve as chairman.

It is the responsibility of the board of directors to protect stockholders' long-term interests by providing independent oversight of management, including the Chief Executive Officer, in directing the corporation's business and affairs.

It is difficult to overstate the importance of the board of directors in our system of corporate accountability. As the Conference Board Commission on Public Trust and Private Enterprise states, "The ultimate responsibility for good corporate governance rests with the board of directors. Only a strong, diligent and independent board of directors that understands the key issues, provides wise counsel and asks management the tough questions is capable of ensuring the interests of shareowners as well as other constituencies are being properly served."

The responsibilities of a Company's board of directors include reviewing and approving management's strategic and business plans; approving material transactions; assessing corporate performance; and selecting, evaluating, compensating and, if necessary, replacing the CEO (Report of the NACD Blue Ribbon Commission on Director Professionalism). Although the board and senior management may work together to develop long-range plans and relate to key constituencies, the board's responsibilities may sometimes bring it into conflict with the CEO.

When a CEO serves as board chairman, this arrangement may hinder the board's ability to monitor the CEO's performance. As Intel co-founder Andrew Grove put it, "The separation of the two jobs goes to the heart of the conception of a corporation. Is a company a sandbox for the CEO, or is the CEO an employee? If he's an employee, he needs a boss, and that boss is the board. The chairman runs the board. How can the CEO be his own boss?"

I urge stockholders to promote independent board leadership and vote for this proposal.

Statement of Board of Directors

The Company's board of directors has considered the proposal set forth above relating to the adoption of a policy that the Chairman of the Board be an independent director who has not previously served as an executive officer of the Company, and has determined not to oppose the proposal and to make no voting recommendation to stockholders. The proposal, which is advisory in nature, would

constitute a recommendation to the board of directors if approved by stockholders. The board of directors recognizes that an independent Chairman of the Board is a controversial topic, and believes that there are valid arguments in favor of, and in opposition to, an independent Chairman of the Board. The board of directors wants to use this proposal as an opportunity for stockholders to express their views on this subject without being influenced by any recommendation the board might make.

If the board of directors adopts a policy that the Chairman of the Board be an independent director who has not previously served as an executive officer of the Company, then our current Chairman of the Board, Adam S. Berger, would no longer be eligible to hold such position since he is also Chief Executive Officer of the Company. Consequently, the Company would have to appoint an independent director to replace Mr. Berger as Chairman of the Board. If a current independent member of our board of directors is not available and willing to serve as Chairman of the Board, then compliance with the policy would be excused.

Opponents of an independent Chairman of the Board contend, among other things, that the board of directors should have the flexibility to determine the appropriate person to serve as Chairman of the Board at any time, that a separation of the combined roles of CEO and Chairman of the Board is not necessary if the Company's corporate governance structure provides effective oversight of management and strong leadership of the independent directors and that the requirement that the Chairman of the Board be independent could cause the Company to incur additional costs. Supporters of an independent Chairman of the Board often make arguments such as those set forth above in the proponent's supporting statement.

Vote Required

You may vote in favor or against this proposal and you may also withhold your vote. This proposal will be approved if a majority of all votes present or represented by proxy and entitled to vote at the Annual Meeting vote in favor of the proposal. If stockholders return a validly executed proxy solicited by the board of directors, the shares represented by the proxy will be voted on this proposal in the manner specified by the stockholder. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the board of directors are to be voted on this proposal, such shares will be counted as abstentions for purposes of the vote on this matter. Abstentions will be counted as votes cast against this proposal. Broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Abstentions and broker non-votes will count toward the presence of a quorum.

THE BOARD OF DIRECTORS MAKES NO RECOMMENDATION WITH RESPECT TO

THE STOCKHOLDER PROPOSAL RECOMMENDING THAT OUR BOARD OF DIRECTORS ADOPT A POLICY THAT THE CHAIRMAN OF THE BOARD OF DIRECTORS BE AN INDEPENDENT DIRECTOR WHO HAS NOT PREVIOUSLY SERVED AS AN EXECUTIVE OFFICER OF THE COMPANY.

PROPOSAL NO. 4

STOCKHOLDER PROPOSAL

DECLASSIFICATION OF THE BOARD OF DIRECTORS

The following proposal was submitted by Glenn Freedman, President and CEO of L.I.S.T. Incorporated, located at 84 Business Park Drive, Suite 210, Armonk, NY 10504-1735, who has given notice that he intends to present the following proposal at the Annual Meeting. L.I.S.T. Incorporated is a holder of 7,813 shares of the Company's common stock.

Elect Each Director Annually

Resolution

RESOLVED, shareowners ask that our Company take the steps necessary to reorganize the Board of Directors into one class with each director subject to election each year and to complete this transition within one-year.

Statement of Stockholder

Our current practice, in which a limited number of directors stand for election annually, is not in the best interest of our Company and its stockholders. Eliminating this staggered system would require each director to stand for election annually and would give stockholders an opportunity to register their view on the performance of each director annually. Electing directors in this manner is one of the best methods available to stockholders to ensure that the Company will be managed in a manner that is in the best interest of the stockholders.

Arthur Levitt, Chairman of the Securities and Exchange Commission, 1993-2001 said: In my view it's best for the investor if the entire board is elected once a year. Without annual election of each director shareholders have far less control over who represents them. Source: "Take on the Street" by Arthur Levitt.

Some companies express the unfounded concern that the annual election of each director could leave a company without experienced directors in the event that all incumbents are voted out by stockholders. In the unlikely event that stockholders would vote to replace all directors, such a decision would express an overwhelming dissatisfaction with the incumbent directors and would reflect the need for change.

Please encourage our board to respond positively to this proposal: **Elect Each Director Annually.**

Statement of Board of Directors

The Company's board of directors has considered the proposal set forth above relating to the declassification of the board of directors, and has determined not to oppose the proposal and to make no voting recommendation to stockholders. The proposal, which is advisory in nature, would constitute a recommendation to the board of directors if approved by stockholders. The board of directors recognizes that board classification is a controversial topic, and believes that there are valid arguments in favor of, and in opposition to, classified boards. The board of directors wants to use this proposal as an opportunity for stockholders to express their views on this subject without being influenced by any recommendation the board might make.

In order to eliminate the classified board, the stockholders of the Company would have to amend Article VII, Section 2 of the Company's Certificate of Incorporation by the affirmative vote of a majority of the outstanding shares entitled to vote. If stockholders approve the proposal at this year's Annual Meeting, the Company will present, for a vote of stockholders at either a special meeting of stockholders or next year's Annual Meeting, an amendment to the Certificate of Incorporation that, if approved by a majority vote, would eliminate the classified board.

Supporters of classified boards contend, among other things, that a classified board can promote stability and continuity of leadership, and enhance a board's ability to respond to certain types of takeover bids by making it more difficult for an unsolicited bidder to gain control of a company. Opponents of classified boards often make arguments such as those set forth above in the proponent's supporting statement.

Vote Required

You may vote in favor or against this proposal and you may also withhold your vote. This proposal will be approved if a majority of all votes present or represented by proxy and entitled to vote at the Annual Meeting vote in favor of the proposal. Such approval would not, by itself eliminate the classified board. If stockholders return a validly executed proxy solicited by the board of directors, the shares represented by the proxy will be voted on this proposal in the manner specified by the stockholder. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the board of directors are to be voted on this proposal, such shares will be counted as abstentions for purposes of the vote on this matter. Abstentions will be counted as votes cast against this proposal. Broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Abstentions and broker non-votes will count toward the presence of a quorum.

**THE BOARD OF DIRECTORS MAKES NO RECOMMENDATION WITH RESPECT TO
THE STOCKHOLDER PROPOSAL REGARDING THE DECLASSIFICATION OF THE BOARD OF DIRECTORS.**

Code of Business Conduct and Ethics

The Company's board of directors has adopted a Code of Business Conduct and Ethics (the "Code"), which applies to all directors, officers and employees. The purpose of the Code is to promote honest and ethical conduct. The Code is posted in the corporate governance section of the investor relations page of the Company's website located at www.spark.net, and is available in print, without charge, upon written request to the Corporate Secretary at Spark Networks, Inc., 8383 Wilshire Boulevard, Suite 800, Beverly Hills, California 90211. The Company intends to post promptly any amendments to or waivers of the Code on its website.

Director Independence

The board of directors has determined that each of the non-management directors, Jonathan B. Bulkeley, Benjamin Derhy, Michael A. Kumin and Thomas G. Stockham is an "independent" director as defined by the listing standards of the NYSE Amex currently in effect and approved by the U.S. Securities and Exchange Commission ("SEC") and all applicable rules and regulations of the SEC. All members of the Audit, Compensation and Nominating Committees satisfy the "independence" standards applicable to members of each such committee. The board of directors made this affirmative determination regarding these directors' independence based on discussion with the directors and on its review of the directors' responses to a standard questionnaire regarding employment and compensation history; affiliations, family and other relationships; and transactions with the Company. The board of directors considered relationships and transactions between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. The purpose of the board of directors' review with respect to each director was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the NYSE Amex rules.

Family Relationships

There are no family relationships among any of our executive officers or directors.

Legal Proceedings

Neither the nominees nor any director or executive officer has been involved in the certain legal proceedings listed in Item 103 and/or Item 401 of Regulation S-K.

Attendance of Directors at Board Meetings and Annual Meeting of Stockholders

During the year ended December 31, 2008 the board of directors met thirteen times, the Audit Committee met seven times, the Nominating Committee met one time and the Compensation Committee met eleven times. Each current director who was on the board during 2008 attended at least 75% of the aggregate number of meetings held by (1) the board of directors and (2) those committees of the board of directors on which he served.

The Company does not have a policy requiring its directors to attend the Annual Meeting of Stockholders. In 2008, Mr. Berger attended the Annual Meeting of Stockholders in person.

Board Committees

Audit Committee. The Audit Committee consists of Jonathan B. Bulkeley, Benjamin Derhy and Thomas G. Stockham, each of whom is an independent director. Mr. Bulkeley, Chairman of the Audit Committee, is an "audit committee financial expert" as defined under Item 407(d) of Regulation S-K. The purpose of the Audit Committee is to represent and assist the Company's board of directors in its

general oversight of the Company's accounting and financial reporting processes, audits of the financial statements and internal control and audit functions. The Audit Committee's responsibilities include:

- The appointment, replacement, compensation, and oversight of work of the independent auditor, including resolution of disagreements between management and the independent auditor regarding financial reporting, for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services.
- Reviewing and discussing with management and the independent auditor various topics and events that may have significant financial impact on our Company or that are the subject of discussions between management and the independent auditors.

The board of directors has adopted a written charter for the Audit Committee. A current copy of the Audit Committee Charter is available on the Company's website at: www.spark.net.

Compensation Committee. The Compensation Committee consists of Michael A. Kumin, Benjamin Derhy and Thomas G. Stockham. Each member is an independent director. Mr. Kumin is the Chairman of the Compensation Committee. The Compensation Committee is responsible for the design, review, recommendation and approval of compensation arrangements for the Company's directors, executive officers, including our Chief Executive Officer, and key employees, and for the administration of our equity incentive plans, including the approval of grants under such plans to our employees, consultants and directors. The Compensation Committee conducts an annual review (in connection with the conclusion of our business planning process) of the compensation packages for each of our named executive officers. Based on this review, the Compensation Committee approves, to the extent applicable, (a) base salary changes, (b) any cash payout amounts earned under the previous year's annual cash incentive awards, (c) equity grants and (d) targets and potential payout amounts under any performance-based incentive compensation programs for the new year. The Compensation Committee will annually review the proposed performance metric(s) applicable to the named executive officers and approve the performance targets and target payout amounts for the named executive officers. The Company does not have a general equity grant policy. However, the Compensation Committee usually holds monthly meetings, which generally occur on the first Monday of the month to consider stock option grants and any other Compensation Committee business; however, the Compensation Committee may change this schedule to grant options on an alternative, consistent basis. The Compensation Committee may take other individual compensation actions during the year as needed. In reviewing and making compensation decisions of other executive officers, the Committee may consult with the Company's Chief Executive Officer and any others who can review the performance of the other executive officers, provide annual recommendations for individual management objectives, and provide input on strategic initiatives. The Compensation Committee has the authority, to the extent it deems necessary or appropriate, to retain a compensation consultant and other advisors to assist in the evaluation of director, Chief Executive Officer or executive officer compensation.

The board of directors has adopted a written charter for the Compensation Committee. A current copy of the Compensation Committee Charter is available on the Company's website at: www.spark.net.

Nominating Committee. The Nominating Committee consists of Jonathan B. Bulkeley and Michael A. Kumin, each of whom is an independent director. Mr. Kumin is the Chairman of the Nominating Committee. The Nominating Committee assists in the selection of director nominees, approves director nominations to be presented for stockholder approval at our annual general meeting, fills any vacancies on our board of directors, considers any nominations of director candidates validly made by stockholders, and reviews and considers developments in corporate governance practices. The board of directors has adopted a written charter for the Nominating Committee. A current copy of the Nominating Committee Charter is available on the Company's website at: www.spark.net.

The Director Nomination Process

The Nominating Committee considers nominees from all sources, including stockholders. Stockholder nominees are evaluated by the same criteria used to evaluate potential nominees from other sources. The board of directors will consist of a majority of directors who qualify as “independent” directors within the meaning of the listing standards of the NYSE Amex, as the same may be amended from time to time. Minimally, nominees should have a reputation for integrity, honesty and adherence to high ethical standards. They should have demonstrated business experience and the ability to exercise sound judgment in matters related to the current and long-term objectives of the Company, and should be willing and able to contribute positively to the decision-making process of the Company. In addition, they should not have, nor appear to have, a conflict of interest that would impair the nominee’s ability to represent the interests of the Company’s or to fulfill the responsibilities of a director. The value of diversity on the board should be considered and the particular or unique needs of the Company shall be taken into account at the time a nominee is being considered. Additionally, the Nominating Committee considers the respective qualifications needed for directors serving on various committees of the board, and serving as chairs of such committees, should be taken into consideration. In recruiting and evaluating nominees, the Nominating Committee considers the appropriate mix of skills and experience and background needed for members of the board and for members of each of the board’s committees, so that the board and each committee has the necessary resources to perform its respective functions effectively. The Nominating Committee also believes that a prospective nominee should be willing to limit the number of other corporate boards on which he or she serves so that the proposed director is able to devote adequate time to his or her duties to the Company, including preparing for and attending board and committee meetings. In addition, the re-nomination of existing directors is not viewed as automatic, but based on continuing qualification under the criteria set forth above. In addition, the Nominating Committee will consider the existing director’s performance on the board and on any committee on which such director serves, which will include attendance at board and committee meetings.

Director Nominees by Stockholders. The Nominating Committee will consider nominees recommended in good faith by our stockholders as long as these nominees for the appointment to the board of directors meet the requirements set forth above. Possible candidates who have been suggested by stockholders are evaluated by the Nominating Committee in the same manner as are other possible candidates.

Nomination for election to the board of directors at a meeting of stockholders may be made by any stockholder of the Company who complies with the following notice procedures, is a stockholder of record on the date of the giving of such notice and on the record date for the determination of stockholders entitled to vote at such meeting. To be timely, a stockholder’s notice shall be delivered to the Corporate Secretary at the principal executive offices of the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the annual meeting; provided, however, that in the event that the date of the annual meeting differs by more than 30 days from such anniversary date or if the Company has not previously held an annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of (x) the 90th day prior to such annual meeting or (y) the tenth day following the day on which public announcement of the date of such meeting is first made by the Company. In the case of an election of directors at a special meeting of stockholders, provided that the board of directors has determined that directors shall be elected at such meeting, a stockholder’s notice shall be delivered to the Corporate Secretary at the principal executive offices of the Company not earlier than the 120th day prior to such special meeting and not later than the close of business on the later of (x) the 90th day prior to such special meeting and (y) the 10th day following the day on which notice of the date of such special meeting was mailed or public disclosure of the date of such special meeting was made, whichever first occurs. In no event shall the adjournment or postponement of an annual meeting (or the public announcement thereof) commence a new time period (or extend any time period) for the giving of a stockholder’s notice.

A stockholder's notice shall set forth (1) as to each person whom the stockholder proposes to nominate for election or reelection as a director (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (or any successor thereto) and Rule 14a-11 thereunder (or any successor thereto) (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), (b) the name and address of the stockholder who intends to make the nomination and of the person or persons to be nominated, (c) a representation that the stockholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting and nominate the person or persons specified in the notice; (d) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; and (e) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated, or intended to be nominated, by the board, and (2) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made (a) the name and address of such stockholder, as they appear on the Company's books, and of such beneficial owner, (b) the class and number of shares of the Company which are owned beneficially and of record by such stockholder and such beneficial owner, (c) a description of all arrangements or understandings between such stockholder or such beneficial owner, if any, and any other person or persons (including their names) in connection with the proposal of such business by such stockholder, (d) a representation that such stockholder intends to appear in person or by proxy at the meeting to bring such nominee before the meeting and (e), to the extent applicable, a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (x) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding capital stock required to approve or adopt the proposal and/or (y) otherwise to solicit proxies from stockholders in support of such proposal. In addition, the stockholder making such proposal shall promptly provide any other information reasonably requested by the Company and the Company may require any proposed nominee to furnish such other information as may reasonably be required to determine the eligibility of such proposed nominee to serve as a director of the Company.

On January 5, 2009, the Company's stockholders approved a one-time stock option repricing and exchange program. Under the stock option program, stock options with an exercise price greater than \$2.55, the closing price per share of the Company's common stock as reported on the NYSE Amex on January 5, 2009, were eligible to be exchanged with new options with an exercise price of \$3.00 per share. Each of the named executive officers in the table above surrendered all of their eligible options in connection with the option exchange program. Each new option granted to the named executive officers has a term of seven (7) years, except those granted to the Company's Chairman of the Board and Chief Executive Officer, Adam S. Berger, which, consistent with the options he received when he became the Company's Chief Executive Officer, have a term of ten (10) years.

New options for the named executive officers do not vest at all until one (1) year after the grant date and are subject to a cap on the amount of options that vest at such time. Any remaining amount of the new options after the initial vesting vest monthly thereafter. New options for the named executive

officers vest one (1) year after the grant date in an amount equal to (i) a percentage (the “Executive Initial Vesting Percentage”) of the total amount of each new option granted to an executive officer equal to the lesser of (a) a percentage that is equal to half of the percentage that the vested amount as of January 5, 2009 constituted of the entire amount of the eligible option that was surrendered by such executive officer and (b) 22.9%, which is equal to half of the percentage that the vested amount constituted of the entire amount of eligible options held by our Chairman of the Board and Chief Executive Officer, Adam S. Berger, as of January 5, 2009, as calculated without regard to any eligible options Mr. Berger received prior to February 2007 when he entered into his employment agreement to serve as the Company’s Chief Executive Officer; and (ii) 25% of the remaining unvested amount of the new option. The remaining new options (i.e. those left after the initial vesting described in (i) and (ii) above) vest monthly in equal installments until four (4) years after the new option grant date. In summary, new options granted to executive officers vest as follows:

- The Executive Initial Vesting Percentage PLUS 25% of the remaining unvested amount vest one (1) year after the grant date, and
- The remainder vests monthly in equal installments until four (4) years after the grant date.

Employment Contracts and Termination of Employment and Change of Control Arrangements

Adam S. Berger

On February 12, 2007, in connection with the appointment of Adam S. Berger as CEO, the Company and Mr. Berger executed an Executive Employment Agreement (the “Berger Agreement”). The Berger Agreement was amended on December 29, 2008 to ensure compliance with the regulations promulgated under Section 409A of the Internal Revenue Code, as amended (“Section 409A”).

Term, Salary and Bonus. The Berger Agreement will continue until December 31, 2010, unless terminated earlier. Pursuant to the terms of the Berger Agreement, Mr. Berger receives a base salary of \$350,000 per year, which will be reviewed annually and may be increased at the sole discretion of the Compensation Committee of the board of directors in light of Mr. Berger’s performance and the Company’s financial performance and other economic conditions, but may not be decreased without Mr. Berger’s written consent. Mr. Berger will also be paid an annual retention bonus of \$50,000. Mr. Berger is eligible to receive an annual performance bonus equal to a minimum of \$75,000, a maximum of \$450,000 and a target amount of \$300,000. The performance bonus will be based on a twelve-month calendar year and will be based on goals set by the board of directors with input from Mr. Berger and the Compensation Committee related to the Company’s gross revenue, earnings before interest, depreciation and amortization (also known as EBITDA) and management objectives.

Option Grants. On February 12, 2007, in connection with the execution of the Berger Agreement, Mr. Berger received a grant under the Company's 2004 Option Scheme of 1,030,000 stock options with an exercise price of \$5.45. 257,500 of the options vested on February 12, 2008 and 1/36th of the remaining 772,500 options vest each month thereafter so that all 1,030,000 options will be vested and exercisable four years from the date of grant. Mr. Berger also received an additional 200,000 stock options with an exercise price of \$6.81, which was 125% of fair market value of the Company's ordinary shares on that date. 50,000 of those options vested on February 12, 2008 and 1/36th of the remaining 150,000 options vest each month thereafter so that all 200,000 options will be vested and exercisable four years from the date of grant. Lastly, on February 21, 2007, the effective date of the Berger Agreement, Mr. Berger received a grant of 70,000 incentive stock options, 17,500 of which vested on the one year anniversary of the grant date and 1/36th of the remaining 52,500 will vest each month thereafter so that all 70,000 options will be vested and exercisable four years from the date of grant. All options have a term of 10 years.

On January 5, 2009, the Company's stockholders approved a one-time stock option repricing and exchange program. Under the stock option program, Mr. Berger exchanged all of his outstanding stock options for new stock options with an exercise price of \$3.00. Of the 1,350,000 new options issued to Mr. Berger, 569,363 will vest on January 5, 2010 and the remainder will vest in equal monthly installments until January 5, 2013.

Other Benefits. Mr. Berger is eligible for all health and welfare benefits generally available to the Company's full-time employees, with the Company covering the costs of such benefits and reimbursing Mr. Berger for COBRA health and welfare plan expenses associated with his prior employer. Mr. Berger will be reimbursed for reasonable, out-of-pocket business expenses incurred in the performance of his duties on behalf of the Company, including up to \$7,500 per year in business related education and training, and for any reasonable legal fees incurred in connection with the Berger Agreement, the negotiation and execution of any new employment agreements of any successor organization in connection with a change in control and any future agreements with the Company entered into upon termination of employment.

Termination Benefits. Generally, upon termination, Mr. Berger will receive his prorated salary earned as of the date of termination and a payment for any accrued unused vacation. If Mr. Berger is terminated without cause or if he leaves for good reason, then Mr. Berger will also receive a severance package that consists of (i) a single cash lump sum payment equal to his retention bonus plus 100% of his base salary, payment to be made within 30 days following termination, (ii) reimbursement of COBRA health and welfare plan expenses for 12 months following termination, and (iii) immediate vesting of the lesser of 325,000 options or the remaining unvested options; provided that Mr. Berger executes, within the 30-day period following termination, a separation agreement with the Company that includes a general mutual release. Termination with "cause" means admission to or conviction of a felony, gross negligence or willful misconduct in the performance of employment duties that is likely to materially damage the Company's financial position, or material breach of the Berger Agreement by Mr. Berger that is not cured within 30 days of notice. "Good reason" means a material breach of the Berger Agreement by the Company that is not cured within 30 days of notice, Mr. Berger's base salary, retention bonus or other bonus opportunity is reduced without his consent or the options are not fully complied with by the Company, a reduction in Mr. Berger's title, duties, or responsibilities or the assignment of any duties inconsistent with his position, a requirement to relocate without Mr. Berger's consent of more than 35 miles, the Company's non-renewal of the Berger Agreement or, to the extent required, stockholder approval is not obtained for any provisions of the Berger Agreement. The occurrence of any of the events described in the foregoing sentence will not constitute good reason unless Mr. Berger gives the Company written notice, within 30 days after Mr. Berger has knowledge of the occurrence of any of the events described in the foregoing sentence, that such circumstances constitute good reason and the Company thereafter fails to cure such circumstances within 30 days after receipt of such notice. Mr. Berger will not be entitled to any severance package if he voluntarily resigns or otherwise terminates employment with the Company other than for good reason, or the Company terminates Mr. Berger's employment with cause.

Death or Disability. Upon death or disability, Mr. Berger is entitled to payment of his retention bonus, his unpaid prorated base salary, reimbursement of COBRA health and welfare plan expenses incurred in the subsequent 12-month period, and a single cash lump-sum payment equal to the minimum bonus that would have been paid that year, prorated according to the number of days that have elapsed since the beginning of the fiscal year in which Mr. Berger dies or becomes disabled. Disability includes Mr. Berger's inability by reason of physical or mental illness to fulfill his obligations pursuant to the Berger Agreement for 90 consecutive days or for a total of 180 days in any 12-month period which renders Mr. Berger unable to perform the essential functions of his job, even after reasonable accommodations are made by the Company.

Change of Control. Upon a change in control of the Company, all of Mr. Berger's unvested stock options will immediately vest. However, if a successor company retains Mr. Berger for the one-year period following a change in control then the Berger Agreement will remain effective and any proceeds received by Mr. Berger with respect to 50% of Mr. Berger's options, the vesting of which was accelerated by the change in control, will be deposited in escrow to be released upon the earlier of the one year anniversary of employment by the successor company or if Mr. Berger is terminated for any reason except for cause by the successor company or without good reason by Mr. Berger. Furthermore, if Mr. Berger is terminated without cause or leaves for good reason within one year after a change of control, then Mr. Berger will receive the severance package described above under "Termination Benefits," payment to commence within 30 days following termination, provided that Mr. Berger executes, within the 30-day period following termination, a separation agreement with the Company that includes a general mutual release. The escrow will be forfeited if Mr. Berger is terminated during that one year period for cause or if he leaves without good reason. A change in control is the acquisition of 50% or more of the total voting power of the Company's voting securities, the disposition of all or substantially all of the Company's assets, the liquidation or dissolution of the Company, a merger, consolidation, or similar transaction other than a business combination that would result in the voting securities of the Company outstanding immediately prior to such a transaction continuing to represent at least 50% of the total voting power represented by the voting securities of the Company or such surviving entity.

Tax-Related Provisions. If Mr. Berger is deemed a specified employee as defined in Section 409A, the Company may pay him interest at the prime rate plus 3% on any amounts deferred. If any payment to Mr. Berger would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, together with any interest or penalties imposed with respect to such excise tax, then Mr. Berger will be entitled to receive an additional payment equal to the amount of the excise tax.

Other Terms. Mr. Berger is prohibited from disclosing confidential information regarding the Company or engaging in any work that creates an actual conflict of interest with the Company's business where such conflict would materially and substantially disrupt the Company's operations. Any obligation not to disclose confidential Company information will continue for two years after the date Mr. Berger's employment is terminated. Furthermore, during the term of the Berger Agreement and for 12 months after, Mr. Berger has agreed, with certain exceptions, not to interfere with the Company's relationship with its employees, customers, suppliers and other business partners.

Gregory R. Liberman

In August 2005, the Company entered into an employment agreement with Gregory R. Liberman which defined the terms of his employment as our Chief Operating Officer (the "Liberman Agreement"). The Liberman Agreement was amended in March 2006 and November 2006 to reflect updates to the terms of his employment as President and Chief Operating Officer, and in December 2008 to ensure compliance with the regulations promulgated under Section 409A.

Term, Salary and Other Benefits. The Liberman Agreement will continue indefinitely subject to the termination provisions. Mr. Liberman will receive a base salary of at least \$287,500 per year. Mr. Liberman is eligible for all health and welfare benefits generally available to the Company's full-time employees and he will be reimbursed for reasonable, out-of-pocket business expenses incurred in the performance of his duties on behalf of the Company.

Change of Control. Mr. Liberman's option agreement contains a "change of control" provision whereby all unvested options will automatically vest if any person acquires a vested interest in more than 50% of the Company's shares; provided, however, that if a successor company retains Mr. Liberman's services for the one-year period following such change of control, then any cash proceeds with respect to 50% of those options that were accelerated will be deposited into escrow which will provide that (i) the proceeds will be paid to Mr. Liberman upon the earlier of the one-year anniversary of such change of control or if Mr. Liberman is terminated without cause or he resigns for good reason, and (ii) the proceeds will be forfeited if Mr. Liberman is terminated during the one-year period for cause or he resigns without good reason.

Termination Benefits. Either party may terminate the Liberman Agreement without cause with 30 days notice. If the Company terminates the Liberman Agreement without cause, or if Mr. Liberman terminates the Liberman Agreement for good reason, Mr. Liberman is entitled to receive severance pay from the Company for a period of six months following the termination of his employment, payments to commence within 30 days following termination. Termination with cause includes a material misappropriation of any monies or assets or properties, a material breach by Mr. Liberman of the terms of the Liberman Agreement that has not been cured within 30 days after written notice, the conviction of, or plea of guilty or nolo contendere, to a felony or to any criminal offense involving moral turpitude, gross negligence or willful misconduct. Good reason includes the Company's requirement to relocate more than 50 miles, or any material breach by the Company which is not cured within 30 days of written notice. The occurrence of any of the events described in the foregoing sentence will not constitute good reason unless Mr. Liberman gives the Company written notice, within 30 days after Mr. Liberman has knowledge of the occurrence of any of the events described in the foregoing sentence, that such circumstances constitute good reason and the Company thereafter fails to cure such circumstances within 30 days after receipt of such notice. The amount of severance to be paid to Mr. Liberman each month will equal his monthly salary at the time of his termination, less applicable payroll tax withholding. If Mr. Liberman is deemed a specified employee as defined in Section 409A, the Company may pay him interest at the prime rate plus 3% on any amounts deferred. The Liberman Agreement also prescribes a twelve month period following termination wherein Mr. Liberman is prohibited from soliciting or disaffecting customers and employees of the company.

Gregory J. Franchina

On May 16, 2007, the Company entered into an executive employment agreement with Gregory J. Franchina (the "Franchina Agreement"). The Franchina Agreement was amended on December 30, 2008 to ensure compliance with the regulations promulgated under Section 409A.

Term, Salary, Performance Bonus and Other Benefits. The Franchina Agreement will continue indefinitely subject to the termination provisions. Mr. Franchina will receive a base salary of at least \$231,000 per year. He will also be eligible for an annual bonus with a target amount of \$125,000 determined based on the Company's calendar year revenue, a measure of the Company's calendar year profits such as earnings before interest, taxes, depreciation and amortization ("EBITDA") or adjusted EBITDA, and a discretionary component (the "Performance Bonus"). The Performance Bonus for 2007 was pro-rated. Payment of the Performance Bonus will be made at the Company's discretion following the completion of the annual audited financial statements, but in no event later than six months from the last day of each period provided Mr. Franchina has maintained continuous employment with the Company (or is entitled to severance pay as described below). In the event the Company fails to determine a formula for the Performance Bonus prior to 60 days after the start of a period,

Mr. Franchina will earn the pro rata share of the bonus between the start of the period and the date upon which the formula is determined by the Company and presented to Mr. Franchina. Mr. Franchina is eligible for all health and welfare benefits generally available to the Company's full-time employees and he will be reimbursed for reasonable, out-of-pocket business expenses incurred in the performance of his duties on behalf of the Company.

Option Grants and Change of Control. On June 1, 2007, the Company granted Mr. Franchina options to purchase 275,000 of the Company's shares, 25% of which will vest and become exercisable on June 1, 2008 and thereafter 6.25% will vest at the end of each three-month period. The options have a term of seven years.

On January 5, 2009, the Company's stockholders approved a one-time stock option repricing and exchange program. Under the stock option program, Mr. Franchina exchanged all of his outstanding stock options for new stock options with an exercise price of \$3.00. Of the 275,000 new options issued to Mr. Franchina, 107,525 will vest on January 5, 2010 and the remainder will vest in equal monthly installments until January 5, 2013.

In addition, the options contain a "Change of Control Provision" whereby all unvested options will vest if any person acquires a vested interest in more than 50% of the Company's shares. However, in the event a successor company desires to retain Mr. Franchina's services for the one-year period following a change of control, 50% of any proceeds from such option acceleration will be deposited in an escrow which will provide that (i) if employment with the successor company is terminated during the one-year period following the change of control by the successor company for cause or by Mr. Franchina without good reason, he will forfeit the accelerated options and any proceeds, and (ii) the accelerated options and any proceeds will be paid to Mr. Franchina immediately upon the earlier of (x) the first anniversary of the change of control if Mr. Franchina maintains continuous employment with the successor company throughout the one-year period, or (y) the date of termination if Mr. Franchina's employment is terminated for any reason other than by the successor company for cause or by Mr. Franchina without good reason.

Termination Benefits. If the Franchina Agreement is terminated by the Company without cause or by Mr. Franchina for good reason, Mr. Franchina will be entitled to receive severance pay from the Company for a period of six months following termination payable in accordance with the Company's normal payroll cycle and commencing with the first payroll cycle which occurs 30 days following termination, provide that Mr. Franchina executes, within the 30-day period following termination, a separation agreement with the Company that includes a general mutual release. The amount of severance pay to be paid to Mr. Franchina each month shall be equal to: (i) his current monthly salary plus (ii) if Mr. Franchina has completed more than four months of the then current performance period, one-sixth of the Performance Bonus pro-rated for the completion of the period, with such severance payments to be paid in accordance with the Company's normal payroll cycle. If the Franchina Agreement is terminated by the Company without cause or by Mr. Franchina for good reason after a performance period has been completed, he will receive the Performance Bonus for that period. Termination with "cause" means (i) a material misappropriation of any assets of the Company, (ii) a material breach by Mr. Franchina that has not been cured within 30 days after written notice, (iii) the conviction of, or plea of guilty or nolo contendere, to a felony or to any criminal offense involving moral turpitude or (iv) gross negligence or willful misconduct in connection with the material duties required by the employment agreement. "Good reason" includes (i) the Company's requirement to relocate to a location in excess of fifty (50) miles from the Company's current office location; (ii) Mr. Franchina's base salary or Performance Bonus target opportunity is reduced by the Company or unpaid by the Company if earned and payable, or the terms and conditions for stock option agreements are not fully complied with by the Company; (iii) a material reduction in title, duties and/or responsibilities; or (iv) any material breach by the Company that is not cured within 30 days of written notice. The occurrence of any of the events described in the foregoing sentence will not constitute good reason unless Mr. Franchina gives the Company written notice, within 30 days after

Mr. Franchina has knowledge of the occurrence of any of the events described in the foregoing sentence, that such circumstances constitute good reason and the Company thereafter fails to cure such circumstances within 30 days after receipt of such notice. Mr. Franchina will not be entitled to any severance if his employment is terminated due to death or disability, he voluntarily resigns or is terminated by the Company with cause. If Mr. Franchina is deemed a specified employee as defined in Section 409A, the Company may pay him interest at the prime rate plus 3% on any amounts deferred.

- Excess In-Person Board Meeting Fee: Each director was paid \$1,000 for in-person attendance at each in-person board meeting that was in excess of in-person attendance of four times in a calendar year, but such amount did not exceed the aggregate of \$4,000 per year. No fees were paid for telephonic meetings or telephonic attendance at in-person board meetings.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. In computing the number of shares beneficially owned by a person and the percentage of ownership of that person, shares of common stock subject to options and warrants held by that person that are currently exercisable or become exercisable within 60 days of the Record Date are deemed outstanding even if they have not actually been exercised. Those shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

The following table sets forth certain information with respect to beneficial ownership of the Company's common stock as of the Record Date, based on 20,561,544 issued and outstanding shares of common stock, by:

- Each person known to be the beneficial owner of 5% or more of the Company's outstanding common stock;
- Each named executive officer;

REPORT OF THE AUDIT COMMITTEE

The Audit Committee consists of three non-employee directors who are independent under the standards adopted by the board of directors and applicable NYSE Amex rules and SEC standards. The Audit Committee represents and assists the board of directors in fulfilling its responsibility for oversight and evaluation of the quality and integrity of Spark’s financial statements, Spark’s compliance with legal and regulatory requirements, the qualifications and independence of Spark’s registered public accounting firm, Ernst & Young LLP, and the performance of Spark’s internal controls and of Ernst & Young LLP.

The Audit Committee has reviewed and discussed with Spark’s management, internal finance staff, internal auditors and Ernst & Young LLP, with and without management present, Spark’s audited financial statements for the fiscal year ended December 31, 2008 and management’s assessment of the effectiveness of Spark’s internal controls over financial reporting. The Audit Committee has also

discussed with Ernst & Young LLP the results of the independent auditors' examinations and the judgments of Ernst & Young LLP concerning the quality, as well as the acceptability, of Spark's accounting principles and such other matters that Spark is required to discuss with the independent auditors under applicable rules, regulations or generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Audit Committee has received from Ernst & Young LLP the written disclosures required by Public Company Accounting Oversight Board No. 3526, as amended, and has discussed with Ernst & Young LLP their independence from Spark and management, including a consideration of the compatibility of non-audit services with their independence, the scope of the audit and the fees paid to Ernst & Young LLP during the year.

Based on our review and the discussions referred to above, the Audit Committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the SEC.

Respectfully submitted,
